

Courier Delivery

Standard delivery provides a door delivery. This service does not include setup, assembly of items or removal of packaging materials.

1. Once the items ship, you will receive a ship confirmation email with tracking information. Please visit the carrier's website for more information on your delivery.
2. Your courier delivery cannot be scheduled to arrive at a specific time. Standard delivery times are between 9 a.m. and 8 p.m., Monday through Friday. Delivery hours may be extended during peak holiday times.
3. If courier attempts to deliver an order and there is no one home, the item will be routed to the nearest post office for customer pickup. A notice will be left on the door advising of the post office location.
4. Package will be held for pickup for a period of 15 calendar days before it is returned to the shipper.
